Top Tips for Navigating your Application

All applicants are required to complete the following forms contained within the application:

1. Applicant Information
   Applicants will be asked to select which type of session they wish to deliver in this section from the following:
   a. Host a Breakout Session
   b. Deliver a Talk
   c. Host Immersive Experiences or Virtual Exhibit Booths
   d. Performances of Multi-Media Productions
   e. Register a Speaker

2. Register a Speaker: Here all applicants are required to enter information about their speakers, performers, artists and/or exhibit hosts. This form is also used for those applying to join the speaker roster.

3. Privacy Statement

Please note: The engagement specific application forms: a - d (above) will only become visible to the applicant when the ‘Application Information’ form has been marked as complete. The subsequent application form will then appear in the left navigation bar.

Once the ‘ Applicant Information’ form has been marked as complete, applicants cannot change their preferred session type. Applicants will therefore be required to begin a new application if they wish to change their session type.

Applicants who wish to apply for multiple session types are required to fill out a new application for each additional session type. It is not possible to apply for multiple sessions within one application.

Applicants may submit multiple applications, provided that the content of each application is different from those already submitted.

Applicants will no longer be able to edit an application once submitted.

**Form 1b: Deliver a Talk**

Honest and bold talks that deliver a very human, story-telling style of sharing information and insights.

There are two types of talks being programmed:

1) **Reimagine Talks: (15 minutes)** Inspirational leaders will reflect on personal or immediate failures that led up to adapting to a disrupted environment and to realizing the urgency of systemic change. Through their own experience, in these 15 minute spotlights, they will
focus on the levers needed to be pulled to move the system towards the SDGs. These are their stories on why and how they couldn’t go back to business as usual.

2) **Lightning Talks: (7 minutes)** Multi-disciplinary experts will share action-oriented insights into what needs to and can be done to unleash the transformative change required to truly drive progress at this critical inflection point. These 7-minute, quick fire insights will provide the tangible and ambitious solutions that have the power to supercharge impact in relation to one or more of the themes in focus. These expert insights will be sourced from a tapestry of sectors, disciplines and geographies, each honing in on a specific context for action, which together will frame the innovation required at global, regional, national and sub-national levels.

1. Select which type of talk you are applying for* (select one)
   - Reimagine Talks
   - Lightning Talks

2. **Name of Talk***

3. **Summary of the story you want to tell**. Detail the failure or solution you want to focus on and adaptation or impact on the SDGs that spurs (500 words)

4. **How does it help to further action around one or more of the themes?** (500 words)

5. **What will be the key take-away or ‘homework’ for the audience?** (250 words)

6. **Provide any links relating to the content of your talk. Please ensure that viewing access is open if linking from a cloud storage.**
   a. Link 1*
   b. Link 2
   c. Link 3

**Form 1c: Host Immersive Experiences or Virtual Exhibit Booths**

Virtual exhibit and immersive spaces will showcase new media, new technologies, innovations, artwork, games and immersive experiences that lets the viewer experience the ‘Future of our world’ from different perspectives, learn different ways of doing things, and take action for transformative change.
